### Properties

**Coating:** Specially formulated acrylic laquer with exclusive ink jet properties.

### Washability prior to printing

Scrubbable EN 259 –2

**In general:** Digitally printed wallcovering can be washed. Slight or moderate soiling can be removed using a combination of mild detergent and a damp cloth. Dabbing – certainly not rubbing is recommended to lift the soil. It is important to rinse off with clean water (absorbant) cloth washing in a low to high vertical action to prevent moisture at skirting level. Bleach, abrasive cleaners and similar compounds must not be used.

### Resistance to chemicals prior to printing

- **Resistant to:** Soap; Detergents; Alcohol; Ammonia; Alkali; Diluted Acids.
- **Not resistant to:** Solvents like Ketones; Esters; Aromatic hydrocarbons.
